Being There

Seattle Cheese Festival May 16-17, Pike Place Market

Returning to the cobblestone streets of Seattle for the fifth year is the city's cheese festival, the first of its kind on the west coast spotlighting artisanal cheese. Attendees may taste more than two hundred cheeses from domestic and international producers and enjoy activities including mozzarella and burrata making, cooking demos, children's games, and educational seminars. Check out www.seattlecheesefestival.com.
